NOTIFICATION

Imphal, the 10th March, 2025

No. H-2001/63/2020-HD-HD: In exercise of the powers conferred under section 398 of the Bharatiya Nagarik Suraksha Sanhita, 2023 (Act No. 46 of 2023) and in supersession of earlier Orders/ Notifications in this regard, the Governor of Manipur is pleased to make the following Scheme for the State of Manipur with a view to ensure protection of the witnesses, namely:-

THE MANIPUR WITNESS PROTECTION SCHEME, 2025

PREFACE

Aims & Objective:

The ability of a witness to give testimony in a judicial setting or to cooperate with law enforcement agencies and investigating officers without fear of intimidation or reprisal is essential in maintaining the rule of law. The objective of this Scheme is to ensure that the investigation, prosecution and trial of criminal offences is not prejudiced because witnesses are intimidated or frightened to give evidence without protection from violent or other criminal recrimination. It aims to promote law enforcement by facilitating the protection of persons who are involved directly or indirectly in providing assistance to criminal law enforcement agencies and overall administration of Justice. Witnesses need to be given the confidence to come forward to assist law enforcement and Judicial Authorities with full assurance of safety. It is aimed to identify series of measures that may be adopted to safeguard witnesses and their family members from intimidation and threats against their lives, reputation and property.

Need and justification for the scheme:

Jeremy Bentham has said that "*Witnesses are the eyes and ears of justice.*" In cases involving heinous crimes, witnesses turn hostile because of threat to life and property. Witnesses feel that there is no statutory legal-obligation on the part of the State to extend any protection to them.

Hon'ble Supreme Court of India also held in *State of Gujarat v. Anirudh Singh* (1997) 6 SCC 514 that: "It is the salutary duty of every witness who has the knowledge of the commission of the crime, to assist the State in giving evidence. Malimath Committee on Reforms of Criminal Justice System, 2003 said in its report that "By giving evidence relating to the commission of an offence, he performs a sacred duty of assisting the court to discover the truth". *Zahira Habibulla H. Shiekh and Another v. State of Gujarat* 2004 (4) SCC 158 while defining Fair Trial *Hon'ble Supreme Court of India* observed "If the witnesses get threatened or are forced to give false evidence that also would not result in a fair trial".

First ever reference to Witness Protection in India came in 14th *Report of the Law Commission of India* in 1958. Further reference on the subject are found in 154th and 178th

report of the Law Commission of India. 198th Report of the Law Commission of India titled as "Witness Identity Protection and Witness Protection Programmes, 2006" is dedicated to the subject.

Hon'ble Supreme Court observed in *Zahira case supra*, "no country can afford to expose its morally correct citizens to the peril of being harassed by anti-social elements like rapists and murderers". The 4th National Police Commission Report, 1980 noted "prosecution witnesses are turning hostile because of pressure of accused and there is need of regulation to check manipulation of witnesses".

Legislature has introduced Section 232 BNS making Criminal Intimidation of Witnesses a criminal offence punishable with seven years of imprisonment. Likewise, in statues namely Juvenile Justice (Care and Protection of children) Act, 2015, Whistle Blowers Protection Act, 2011, Protection of Children from Sexual Offences Act (POCSO Act) 2012 and National Investigation Agency Act, 2008 and Scheduled Castes and Tribes (Prevention of Atrocities) Act, 1989 also provides for safeguarding witnesses against the threats. However, no formal structured programme has been introduced as on date for addressing the issue of witness protection in a holistic manner.

In recent year's extremism, terrorism and organized crimes have grown and are becoming stronger and more diverse. In the investigation and prosecution of such crimes, it is essential that witnesses, have trust in the criminal justice system. Witnesses need to have the confidence to come forward to assist law enforcement and prosecuting agencies. They need to be assured that they will receive support and protection from intimidation and the harm that criminal groups might seek to inflict upon them in order to discourage them from co-operating with the law enforcement agencies and deposing before the court of law. Hence, it is high time that a scheme is put in place for addressing the issues of witness protection uniformly in the country.

Scope of the Scheme:

Witness Protection may be as simple as providing a police escort to the witness up to the Courtroom or using modern communication technology (such as audio video means) for recording of testimony. In other more complex cases, involving organized criminal group, extraordinary measures are required to ensure the witness's safety viz. anonymity, offering temporary residence in a safe house, giving a new identity, and relocation of the witness at an undisclosed place. However, Witness protection needs of a witness may have to be viewed on case-to-case basis depending upon their vulnerability and threat perception.
